Aromas of dried meat, dark fruit and currant. Decadent character. Full body, chocolate, tea and berry. Velvety tannins and a savory finish. 95% cabernet sauvignon with the balance malbec. — J.S.

Bright medium ruby. Aromas of cassis, licorice and violet... Highly concentrated, broad and utterly seamless, with enough acidity to give shape and lift to the dark berry flavors. This large-scaled, rather powerful wine finishes with serious but ripe tannins and terrific palate-saturating length. — Stephen Tanzer

Creamy hints to the cherry tart and dark plum flavors give this a touch of richness. The savory finish lingers with cocoa powder and dried green herbs. — Kim Marcus
